Dear Rippling Team,

I am reaching out to apply for the Staff Backend Engineer/Tech Lead (LMS) position at your esteemed company. With hands-on experience in both frontend and backend projects, I possess proficiency in HTML, CSS, JavaScript, React, Redux, and Node.js. My utmost satisfaction comes from delivering high-quality projects that cater to user needs. Collaboration is deeply ingrained in my work style, and I take pleasure in working seamlessly with cross-functional teams to achieve remarkable results.

Thank you for considering my application. I eagerly anticipate the opportunity to further discuss my qualifications.

Sincerely,
Sagar Chawla
